

WHY DO THIS ACTIVITY?
*An activity such as this stimulates the child's
creativity and problem solving skills as well as
their hand-eye coordination.*

Painting Earth

You Need:

Scrap white paper
Blue and green food colouring
A circular object
Paintbrush or an earbud
Saucer/ small bowl

Method

1. Use the circular object and trace its shape onto the paper.
2. Draw various shapes onto the circle to make it look like the earth.
3. Pour some food colouring into a flat dish, dip the paintbrush/earbud into the colours and get creative!
4. You can also create the sun, moon and other planets by using different colours to create the entire solar system.
